

Wuxi Nanshan Charity Geracomium - China

Nanshan Charity Geracomium is a newly-built nursing home. It is invested by Wuxi government, and is managed by Wuxi disabled persons' federation and Wuxi bureau of civil affairs.

In Nanshan Charity Geracomium, there are 600 rooms, 1400 beds in total. There are 500 bathrooms, 36 common shared bathrooms, plus 80 non-barrier common toilets.

Nanshan Charity Geracomium offers different types of rooms. The majority of the rooms are two persons rooms. Single rooms and two persons rooms are for severe disabilities who have a good economy. Three persons rooms are for handicapped and aged people who have a very weak body.

Challenge

- ▮ To install bathrooms that can be used by people both with and without disabilities.
- ▮ To get products that can be easily cleaned and maintained and products that are in accordance with the Chinese national non-barrier criteria.

Solution

Installation of flexible bathroom products from Pressalit Care to get a multi-functional bathroom, that is easy to clean and easy to maintain.
